## **Payment Options**

To lose someone you love is a devastating human experience. It can be traumatic and seriously impact one's judgment. Therefore, it is important to be realistic with respect to funeral expenditures.

We do not want your choices to be more than is affordable nor less than you would like to arrange. What is important is that arrangements be in keeping with your wishes and budget.

We believe in the recognition and meaningful celebration of a life that has been lived and will assist in arranging an appropriate service to meet your individual needs. Payment for services, merchandise, and cash advance items are due upon presentation of an itemized statement of goods and services. For your convenience, we accept the following methods of payment:

- Pre-Arrangement contracts written by any funeral home
- Cash
- Check
- MasterCard & Visa
- Insurance Assignment

*Please note: We cannot accept payment for cash advance items by credit card.*

**Pre-Arrangement Contracts**—If a pre-arrangement contract was purchased, any balance on the original pre-arrangement contract along with any charges selected in addition to the pre-arrangement are due at time statement is presented.

**Insurance Policies**—If insurance is to be assigned to the funeral home, policies must be provided at time of arrangement. Coverage must be verified prior to acceptance. If the policy cannot be assigned (*such is the case with state or federal policies*) we cannot hold your personal check until you receive your insurance benefit. In most cases, banks will advance a loan to you with adequate collateral. Under no circumstance can a policy with "*Estate*" as the beneficiary be accepted.

**Cash Advance Items**—These expenses outside the funeral home require immediate payment; therefore they are due upon statement presentation.

**Bank Account Funds**—If payment is to be made from a bank account of the deceased, most banks will issue a cashiers check payable to the funeral home without a death certificate. It will be necessary, however, to present a copy of the statement of goods and services to the bank.
